

The visa issuance process takes 5 working days

As a general rule, the visa issuance process from initiating the visa application at the visa window in the Embassy of Japan to issuing the visa takes 5 working days.

Please make a reservation by e-mail for your application before coming to apply at the Embassy.

Reservations book quickly and fully, so please allow plenty of time in advance to insure your schedule for visiting Japan.

Currently, we are not accepting visa applications for sightseeing purposes or visiting acquaintances.
